

Have you ever wondered what it is like to sleep in the barns at the Erie County Fair, or to take care of those precious animals that stay right there too? What about riding in the parade or seeing just how cotton candy and taffy is made? Well, you may get the chance this summer! Apply to go to Fair Camp!!!

Fair Camp is a two-and-a-half-day agricultural experience for boys and girls, ages 8 to 10 and one parent or guardian. This camp allows participants a "behind the scenes" view of the Fair and a chance to see what it's like to be a farmer at the Fair. Twelve lucky children from all over Erie County will be selected to take part in this once in a lifetime experience.

These students, along with a parent, will sleep in the barns, help take care of the animals, have the opportunity to show an animal, learn more about that yummy fair food, work with vendors, meet every morning to see how the fair is run, and even ride in the daily parade during one weekend of The Erie County Fair this August.

Campers are selected on the following basis:

1. Applicant is age 8 - 10, with proper documentation.
2. Applicant has a parent or guardian willing to attend Fair Camp.
3. Space availability during applicants' preferred camp weekend (8/9-8/11 or 8/16-8/18)
4. Application is filled out completely.
5. Essay detailing the applicant's desire to attend the Fair Camp.
6. A letter of recommendation enclosed with the completed application.
7. Application must be returned to the Fairgrounds by Monday, May 6th.

**PLEASE CONTACT MRS. HOLSTEIN FOR MORE INFORMATION**
