May 12, 2021

Dear Hamburg Central School District Families and Staff,

I hope this letter finds you well. The purpose of this letter is to inform you that all of our middle school and high school students in Cohorts A - C will return to in-person Monday through Friday learning on Thursday, May 20.

As you know, The New York State Department of Health (NYSDOH) guidance allows school districts to reduce social distance in academic areas from six (6) feet to three (3) feet once the rate of community infection in a county is below 100 cases per 100,000. As long as the rate continues to fall at the current rate, we expect to be below that threshold well in advance of Thursday, May 20. Rest assured that I will follow up with everyone right away if the rates don't fall as anticipated.

We will send updated bus information for all students who are currently using district transportation as soon as that information is ready.

Mr. Gallagher and Mr. Adams will be in regular communication with their respective students and families about school-specific details. We will continue to communicate at the district level on this topic as often as developments require.

Be safe and be well,

Michael R. Cornell
Superintendent of Schools
