

# Hamburg Central School District **DISCOVER 2021** CAPITAL PROJECT

The Discover 2021 Capital Improvement Project is designed to ensure that every child has the opportunity to discover what she/he loves about school in world class facilities, and use that discovery to connect meaningfully to their school experience. Discover 2021 is truly a commitment drawing out the best in every child. Discover 2021 will impact programming in academics, social-emotional health, physical education and athletics, music, art, technology, accessibility, and nutrition. We are excited to present Discover 2021 to our community for a referendum on **Wednesday, October 13th, 2021.**
