Athletic Placement Process Parent/Guardian Information

Dear Parent/Guardian,

Hamburg Central takes part in a program offered by the NYS Education Department that permits highly skilled and exceptionally talented 7th and 8th grade students to try out for and perhaps compete on the varsity or JV level prior to reaching high school.

The intent of the Athletic Placement Process (APP) is to provide safe and suitable participation for selecting and classifying students for interscholastic athletics. It focuses on determining a student's physical readiness for interscholastic competition.

Form B

In order to establish appropriate eligibility, we must have your permission to begin the APP. This evaluation is a comprehensive one that addresses your child's emotional and physical maturity, as well as athletic abilities, physical fitness, and sport-specific skills in relationship to other student athletes at that level.

Form C

Physical maturity is determined by a student's personal physician. The Tanner Scale is the recommended reference point for this portion of the evaluation, and height, weight, and muscle mass of the student are taken into consideration as well. The district does accept history of menarche for girls in place of a physical examination. Upon passing the medical clearance, the student proceeds to the physical fitness and skill assessments portion. All levels must be passed in order to meet the requirements of the APP. The physical maturity form (form "C") is to be completed by your child's private medical provider.

Form D

Student's moving on to the fitness test portion of the APP are required to submit an evaluation of their skill and fitness level (Form D). This is to be completed by the time of the fitness test, and can be from either the HCSD coach of the sport and level the student wishes to try out, or an HCSD Physical Education teacher who is familiar with the skills and fitness of the student.

The APP fitness testing for all fall sports will take place on August 17 at 9am (make-up date of August 21 at 9am) at Hamburg High School (use gym entrance). APPOINTMENTS ARE REQUIRED. Please call or email Mrs. Olmsted at 716-646-3344 or email her at dolmsted@hcsdk12.org.

You will need to bring form B, C, and D with you to this appointment so it can be reviewed by our district staff.

Fitness testing will take place once it's determined that all forms are completed and requirements fulfilled for fitness testing.

If your child successfully meets the requirements of the APP, he/she will be allowed to try out for competitive HS athletics during 7th and 8th grade. While a student athlete is only eligible to compete in high school level sports for four consecutive seasons beginning in 9th grade, the APP allows a student athlete to compete for 5 or 6 consecutive seasons (depending on whether they begin competition in 7th or 8th grade).

In order to advance to the physical fitness portion of the APP, forms B, C, and D of this packet must be completed fully at time of test and brought to the testing site for review.

It is important to remember that once the requirements are met and your HMS student is accepted as a member of the team, there is no return to a lower level team in that sport for that season. Your child will be competing with older students, and with that comes challenges both during competition and practice, as well as a social atmosphere that is more mature. JV and Varsity teams typically practice and compete 6 days a week; it's important to take into account your HMS student's ability to handle additional demands.

Feel free to contact me regarding this program or any aspect of athletic placement. If you would like your child to participate in this program, please sign and return the parental permission form at the time of testing.

Sincerely,

Thomas Adams
HMS Principal
Director of Athletics, HCSD

Athletic Placement Process
Parent/Guardian Permission

Parent/Guardian Statement

I have read the attached letter and I understand the purpose of the Athletic Placement Process.

My HMS Student, _____, has my permission to undergo the evaluation process and to participate in the Athletic Placement Process program. I understand that the determination of physical maturity is a private medical examination involving inspection of breasts and genitals done by my child's own medical provider. Upon passing the medical clearance (Form C), my child may proceed to the coach/teacher's evaluation (Form D) and to the physical fitness and skill assessments. Completed Forms B, C, and D must be brought to fitness testing at the specified date and time (see Form A). I understand that passing the evaluation process does not guarantee my child a position on the team, but only permits them to try out.

Coach or HCSD Teacher Sport Recommendation

INSTRUCTION - This form is to be completed by an HCSD coach for the level and sport in which the student plans to try out **OR** an HCSD physical education teacher who is knowledgeable of the student's skill and fitness level.

Recommender _____

Sport and Level _____ / _____

Student's Name _____ Gender **M** **F** Age _____

The above named student has requested a recommendation through the Athletic Placement Process. Having coached and / or taught this student-athlete in the past, your recommendation is an important factor in this process.

The APP is intended only for athletes who possess the physical and emotional maturity, physical fitness, and sport-specific skills to be placed with other athletes outside of his/her grade level. Once a student passes and makes the higher level team, the student cannot be returned to the modified team for that sport during the current season.

Your help in this process is vital and is greatly appreciated.

I, _____, recommend the above named student athlete to try-out for the above named sport. This recommendation is only made if the other components of the APP are fulfilled.

Optional additional information from the coach or HCSD PE teacher making the recommendation:

PHYSICAL FITNESS TEST

Curl-ups

This activity measures abdominal strength and endurance.

Test

- Have the student lie on a cushioned, clean surface with knees flexed and feet about 12 inches from buttocks. A partner holds the feet.
- Make sure the arms are crossed with hands placed on opposite shoulders and elbows held close to chest.
- Keeping this arm position, the student raises the trunk, curling up to touch elbows to thighs, and then lowers the back to the floor so that the scapula's (shoulder blades) touch the floor, for one curl-up.
- The time is for one minute.

Shuttle Run

This activity measures speed and agility.

Test

- Mark two parallel lines 30 feet apart and place two blocks of wood or similar objects behind one of the lines.
- Student starts behind the opposite line. On the signal "Ready? Go!" the student runs to the blocks, picks one up, runs back to the starting line, places the block behind the line, runs back and picks up the second block, and runs back across the starting line.

One Mile Run/Walk

This activity measures heart/lung endurance.

Test

- On a safe, one-mile distance, students begin running.
- Walking may be interspersed with running. However, the students should be encouraged to cover the distance in as short a time as possible.

Pull-ups

This activity measures upper body strength and endurance.

Test

- The student hangs from a horizontal bar at a height the student can hang from with arms fully extended and feet free from the floor, using either an overhand grip (palms facing away from body) or underhand grip (palms facing toward body). Small students may be lifted to the starting position.
- The student raises his/her body until chin clears the bar and then lowers his/her body to the full-hang starting position. The student performs as many correct pull-ups as possible.

Sit and Reach Testing

Test

- You'll need a specially constructed box with a measuring scale marked in centimeters, with 23 centimeters at the level of the feet.
- The student removes shoes and sits on floor with knees fully extended, feet shoulder-width apart and soles of the feet held flat against the end of the box.
- With hands on top of each other, palms down, and legs held flat, student reaches along the measuring line as far as possible. After three practice reaches, the fourth reach is held while the distance is recorded.
- Legs must remain straight, soles of feet against box, and fingertips of both hands should reach evenly along the measuring line. Scores are recorded to the nearest centimeter.

SPECIAL TRY-OUT PROCESSES

BOWLING

Any 7th or 8th grade student may be given the opportunity to try out for a junior varsity or varsity bowling team. At the completion of the try-out sessions, which must include nine games bowled over a three-day period, if the individual's bowling average puts him/her in the top eight of your bowlers, he/she is eligible for the team.

GOLF

Any 7th or 8th grade student may be given the opportunity to try out for a junior varsity or varsity golf team. At the completion of the tryout sessions, which must include 18 holes golfed over a three-day period (the first three days of the individual's tryout when the course is accessible), if the individual's golf average puts him/her in the top 8 of your golfers, he/she is eligible for the team.

STANDARDS

Sex	Age	Curl-Ups (in one minute)	Shuttle Run (seconds)	Sit & Reach (Centimeters)	1 Mile-Walk/Run (min/sec)	Pull-Ups # completed
Males	11	47	10	31	7:32	6
	12	50	9.8	31	7:11	7
	13	53	9.5	31	6:50	7
	14	56	9.1	33	6:26	10
	15	57	9	36	6:20	11
Females	11	42	10.5	34	9:02	3
	12	45	10.4	36	8:23	2
	13	46	10.2	38	8:13	2
	14	47	10.1	40	7:59	2
	15	48	10	43	8:08	2

SWIMMING

The swimming endurance component of the physical fitness test allows the athlete to choose which endurance test he/she prefers. It will be necessary to choose one, either the 1 mile run or the 500 yard swim.

Required Swim Times for 500 yards

Boys

Junior Varsity	8 : 45
Varsity	8 : 30

Girls

Junior Varsity	9:30
Varsity	9:00
